See SFS Group USA, Inc. (SFS) sales and delivery terms and conditions, US Construction and Canada Construction from SFS website.

Pricing

- Pricing and units per package are subject to change without notice.
- Pricing is in US Dollars.
- Minimum billing is \$250.00 for product only. Shipping and handling charges in addition to \$250.00 minimum.

Orders

- All orders will only be accepted after completion of SFS credit process.
- All orders must be placed with a written purchase order.
- Fasteners shall be ordered and fulfilled in full box or full bag quantities only.

Blanket Orders

- Blanket orders are accepted by a written purchase order only. Releases must be shipped within one year of purchase order issue date. Upon expiration of the purchase order, any remaining product will automatically be shipped and billed to the customer.
- Blanket purchase orders (PO) equal to total project value are required for projects requiring multiple deliveries. Blanket PO total value is based on SFS quotation from shop drawing takeoff. Blanket PO "releases" shall be defined within the blanket PO to coincide with each planned material delivery request based on construction phase.

Example:

- Blanket PO value = \$50,000 with three planned delivery requirements for:
 - North elevation (assumed value = \$10,000)
 - East elevation (assumed value = \$15,000)
 - South & West elevations (assumed total value = \$25,000)
- Blanket PO release "1" for North elevation material due on site 20 days after blanket PO date
- Blanket PO "release" 2 due for East elevation material on site 45 days after blanket PO date
- Blanket PO "release" 3 for South & West elevation material due on site 85 days after blanket PO date

Payment Terms:

- 50% pre-payment required of first blanket order "release" value so that first blanket order "release" shall be shipped. 50% balance, net 30 invoiced after shipment date of first blanket order "release".
- 50% pre-payment and 50% balance net 30 for each subsequent blanket order "release".
- Stamped engineering calculations and/or shop drawings (optional): 100% prepaid prior to services being provided.

Example (based on example shown above):

- 50% pre-payment 1 = \$5,000 required to release North elevation materials for shipment
- 50% pre-payment 2 = \$7,500 required to release East elevation material for shipment
- 50% pre-payment 3 = \$12,500 required to release South & West elevations material for shipment
- Balance of 50% payable for each blanket PO "release", net 30 after material shipment
